Moved to Wednesday, May 18, 2022 Workshop Meeting

6:00 pm

Park District of Highland Park Board of Park Commissioners 636 Ridge Road, Highland Park, IL 60035 Live Stream Video Link

WORKSHOP MEETING AGENDA

- I. CALL TO ORDER
- II. ROLL CALL
- III. ADDITIONS TO THE AGENDA

IV. PUBLIC COMMENT FOR ITEMS ON AGENDA

For public comment, members of the public can attend the virtual meeting so they may have the opportunity to speak during the public comment period.

If you wish to speak during the virtual meeting, click here to register.

Registrants will receive an email with meeting access information from it@pdhp.org.

Anyone wishing to speak during the public comment period of the virtual meeting will need to use the "Raise Hand" function in Zoom to indicate that they would like to speak. The Board President or Board Secretary will call on registrants who have activated the "Raise Hand" feature in alphabetical order.

- V. THE PRESERVE OF HIGHLAND PARK GRAND OPENING EVENTS
- VI. ADOPTION OF THE BEACH AND BOATING SAFETY WEEK PROCLAMATION
- VII. HIDDEN CREEK AQUAPARK CONCRETE DECK REPLACEMENT ENGINEERING
- VIII. SUNSET VALLEY GOLF CLUB PROJECT UPDATES
 - A. Bridge Replacement and Removal
 - B. Phase One of the Cart Path Resurfacing
- IX. APPROVAL OF THE 2022 MORAINE PARK PATH IMPROVEMENT PROJECT REBID
- X. CENTENNIAL ICE ARENA RENOVATION UPDATE
- XI. REVIEW OF VOUCHERS
- XII. OTHER BUSINESS
- XIII. OPEN TO PUBLIC TO ADDRESS BOARD

Moved to Wednesday, May 18, 2022 Workshop Meeting 6:00 pm

Park District of Highland Park Board of Park Commissioners 636 Ridge Road, Highland Park, IL 60035 Live Stream Video Link

CLOSED SESSION PURSUANT TO THE FOLLOWING SECTIONS OF THE OPEN XIV. **MEETINGS ACT:** Section 2(c)1: The employment, compensation, discipline, performance, or dismissal of specific employees, specific individuals who serve as independent contractors in a park, recreational, or educational setting, or specific volunteers of the public body or legal counsel for the public body; Section 2(c)5 - the purchase or lease of real estate including discussion on whether a certain parcel of property should be acquired; Section 2(c)6 – the setting of a price for sale or lease of property owned by the District; Section 2(c)8 – security procedures and the use of personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property; Section 2(c) 11 - litigation against or on behalf of the District or where the District finds that an action is probable or imminent; Section 2(c) 21 - the discussion of minutes lawfully closed under the Act, whether for the purposes of approval of said minutes or for conducting the semi-annual review of the minutes as set forth in section 2.06 of the Act.; Section 2(c) 29 - for discussions between internal or external auditors and the Board. Possible action by the Board on items discussed in closed session.

XV. ADJOURNMENT

Persons with disabilities requiring reasonable accommodation to participate in this meeting should contact the Park District's ADA Compliance Officer, Brian Romes, at the Park District's Administrative Office, 636 Ridge Road, Highland Park, IL Monday through Friday from 8:30 a.m. until 5:00 p.m. at least 48 hours prior to the meeting. Requests for a qualified ASL interpreter require five (5) working days advance notice. Telephone number 847-831-3810; fax number 847-831-0818.

Subject: The Preserve of Highland Park Grand Opening Events

Summary/Background

Conversion of the site from its historical use as a golf course began in November 2020. Today, The Preserve of Highland Park celebrates nature and our place in it. The unique 100+ acre property was designed to take advantage of the interesting golf-related topography and includes green lawns, nature-based play areas, specialized native gardens, restored woodlands, and walking and biking trails that connect neighborhoods and downtown Highland Park, and regional biking trails. Visitors can immerse themselves in the sights, sounds, and experiences of nature and outdoor play.

The Park District of Highland Park is celebrating the grand opening of The Preserve of Highland Park at a partner event on Thursday, June 2, 2022, from 5-7:30pm, and a public event on Saturday, June 4, 2022, from 10am-noon. During the partner event, a ribbon-cutting ceremony will take place at 5:30pm, with a reception and tour of the facility. The public event on June 4 includes a variety of family activities.

Staff will present a brief overview of both events to the Park Board of Commissioners.

From: Liz Gogola, Director of Communications and Marketing; Brian Romes, Executive Director

Date: May 18, 2022

Subject: Adoption of the Beach and Boating Safety Week Proclamation

Summary

Each year, as summer begins, the United States Lifesaving Association (USLA) sponsors National Beach Safety Week to remind beachgoers to use caution in the aquatic environment. National Beach Safety Week is typically the week before Memorial Day. Local communities and agencies assist in promoting National Beach Safety Week by proclamation declaring Beach Safety Week in their communities.

Additionally, as boating continues to be a popular recreational activity for nearly 100 million Americans the U.S. Coast Guard and its federal, state, and local safe boating partners encourage all boaters to explore and enjoy America's beautiful waters responsibly. National Safe Boating Week also begins the week before Memorial Day and is observed to bring attention to important life-saving tips for recreational boaters so that they can have a safer, more fun experience out on the water throughout the year. The Coast Guard estimates that human error accounts for most boating accidents and that life jackets could prevent nearly 86 percent of boating fatalities. Through basic boating safety procedures — carrying life-saving emergency distress and communications equipment, wearing life jackets, attending safe boating courses, participating in free boat safety checks, and staying sober when navigating — we can help ensure boaters on America's coastal, inland, and offshore waters stay safe throughout the season.

Recommendation

Staff recommends approval from the Park Board of Commissioners adoption of the Beach and Boating Safety Week Proclamation declaring May 23 - 30 as Highland Park Beach and Boating Safety Week.

Park District of Highland Park Beach and Boating Safety Week Proclamation May 23 through May 30, 2022

National Beach Safety Week and National Safe Boating Week are observed to bring attention to important life-saving tips for beach goers and recreational boaters so that they can have a safer, more fun experience participating in boating and beach activities throughout the year.

WHEREAS, the beautiful Lake Michigan waters and public beaches of Highland Park, Illinois represent valued recreational resources; and,

WHEREAS, Highland Park residents and visitors alike are drawn to our boating and beach facilities each year; and,

WHEREAS, drowning is one of the leading causes of death in the U.S. and the world; most people who drown are good swimmers; and the aquatic environment has dangers to swimmers, particularly rip currents, that can be effectively managed through public awareness and the vigilance of professional lifeguards; and,

WHEREAS, on average, 600 people die each year in boating-related accidents in the U.S.; 79 percent of these are fatalities caused by drowning; and most of these accidents are caused by human error or poor judgment and not by the boat, equipment, or environmental factors; and a significant number of boaters who lose their lives by drowning each year would be alive today had they worn their life jackets.

WHEREAS, for reasons of public safety, an annual reminder of the joys and hazards associated with the aquatic environment are appropriate at the commencement of the busy summer beach season; and,

WHEREAS, Highland Park residents and visitors alike must remember: Only Swim in Designated Swimming Areas; Learn to Swim, Swim Near a Lifeguard, Swim with a Buddy, Check with the Lifeguards, Use Sunscreen and Drink Water, Obey Posted Signs, Keep the Beach and Water Clean, Learn Rip Current Safety, Enter Water Feet First, and Wear a Life Jacket when Boating.

NOW, THEREFORE, the Park Board of Commissioners by virtue of the authority vested in us for the Park District of Highland Park do hereby support the goals of the Safe Boating and Beach Safety Campaigns and proclaim May 23-30, 2022, as Beach and Boating Safety Week in Highland Park.

We urge all residents using our waters and beaches to enjoy themselves this year, while taking appropriate measures to protect themselves and their children.

Adopted this 11 th day of May 2022.

Subject: Hidden Creek AquaPark Concrete Deck Replacement Engineering

Summary/Background

The concrete deck surrounding the Hidden Creek Aqua Park (HCAP) pool is starting to deteriorate and needs replacement. Sections are cracking and heaving which could create hazardous conditions. The replacement of the concrete deck will also address ADA accessibility throughout the deck. The 2022 approved capital budget includes \$30,000 for engineering services (excluding construction administration) to develop a design to bid the project in 2022. The actual deck replacement would take place in 2023 before the 2023 swim season.

This project is also taking on the scope of the shade structure replacements. Combining these two projects maximizes efficiency.

Proposals

The scope of this project is specialized, and the Park District requested proposals from civil engineers the Park District has existing relationships with. The Park District received two proposals for engineering services for this project. The scope includes survey work, engineering, and construction drawings, as well as participating in the bidding process. Staff recommends that the Park Board of Commissioners consider the Gewalt Hamilton and Associate (GHA) proposal. The Park District has a positive existing relationship with GHA, and they were involved with the HCAP original construction.

Financial Impact

		Cost
GHA Proposal		\$42,300
Approved 2022 Budget		\$30,000
	Amount <i>over</i> the approved 2022 budget	\$12,300

Staff is seeking consensus from the Park Board to consider approval of a contract with GHA at the May 27 Regular Board meeting.

Re: Proposal for Professional Services
Hidden Creek Aquatic Center Pool Deck Replacement

Highland Park, Illinois GHA Proposal No. 2022.SD017

Dear Ms. Schwartz,

Thank you for your consideration of Gewalt Hamilton Associates, Inc. (GHA) in providing the professional engineering services for the replacement of the pool deck and plaza areas at the Hidden Creek Aquatic Center.

Per our conversation of today, we have slightly modified the scope of work for the Bidding phase and removed construction phase services.

If our proposal is acceptable, please sign one copy and return it to our office. We are pleased to have the opportunity to make our services available to you and look forward to assisting you on this project.

Sincerely,

Gewalt Hamilton Associates, Inc.

Donald E. Matthews, P.E., CFM

Jac. Man

Vice President

Encl.: GHA Proposal No. 2022.SD017

Hidden Creek Aquatic Center Pool Deck and Plaza Replacement Highland Park, Illinois GHA Proposal No. 2022.SD017

625 Forest Edge Drive, Vernon Hills, IL 60061

Tel 847.478.9700 Fax 847.478.9701

www.gha-engineers.com

Park District of Highland Park (Client), West Ridge Center, 636 Ridge Road, Highland Park, IL 60035, and Gewalt Hamilton Associates, Inc. (GHA), 625 Forest Edge Drive, Vernon Hills, IL 60061, agree and contract as follows:

I. Project Understanding

The concrete deck and plaza areas at the Hidden Creek Aquatic Center, originally installed in 1996, show signs of surface deterioration, joint separation/displacement and random cracking. In addition, it appears the slope of the deck and plaza in multiple areas are too steep and may be outside those permitted by the American Disabilities Act (ADA). The Park District wishes to remove and replace the deck areas adjacent to the pool. The approximate concrete deck removal and replacement area is roughly 19,000 square feet.

The District desires that plans for the improvements be prepared and permitted in 2022 so that the project may be bid in early 2023 and constructed in the spring of that year, in time for the opening of the pool in late May 2023.

At the same time the deck is being replaced, the District wishes to install foundations for sun shades in selected locations around the pool. Repairs to stairs and railings at the slides will be undertaken by others. The splash area is excluded from this study.

Most of the concrete requiring removal and replacement will be done with minimal impact on the existing improvements; however, the interface of the concrete deck and pool gutter will require special considerations as it may not be possible to remove the concrete to the pool edge without damaging the gutter. We will explore options and evaluate costs for the District's consideration for how to manage the interface. The options may include:

- Removal and replacement of both the concrete deck and the stainless steel gutter
- Removal of the concrete and salvaging the stainless steel gutter by carefully chiseling the concrete from the back side of the gutter
- Salvaging a narrow portion of concrete adjacent to the gutter, and removing and replacing the concrete deck beyond that point
- Salvaging both the concrete deck and gutter by installing a slip resistant rubberized surface on the existing concrete.

To assist in analysis of the deck / gutter interface, and the use of non-slip rubberized surface, we will retain the services of Water Technology Inc., an aquatic engineering firm.

Review of the historical plans of the deck reveals the deck is at or just below the City of Highland Park's Base Flood Elevation. Our proposal assumes the City will not require an analysis of lost flood storage due to minor grading modifications necessary to correct slopes to be within accessibility standards. We think this is a reasonable assumption as the grade changes will be minor and the lost flood storage negligible. Similarly, due to the maintenance nature of the work, an Illinois Department of Public Health permit is not anticipated to be required.

II. Scope of Services

The following is our proposed scope of services.

A. Existing Conditions Survey

GHA will prepare a detailed survey of the deck and plaza areas. The survey will meet or exceed the Minimum Standards of Practice as set forth by Illinois Administrative Code for a Topographic Survey. Accordingly, we will provide the following services:

- 1. Obtain benchmark information (NAVD88) from USGS, Lake County, the City of Highland Park.
- 2. Horizontal coordinates shall be referenced to the State Plane Coordinate System, Illinois East Zone, NAD83 adjustment. Vertical elevations shall be referenced to the North American Vertical Datum of 1988 (NAVD88). All units shall be U.S. Survey feet and decimal parts thereof.
- 3. Establish two (2) permanent site benchmark (s) (i.e. crosses or boxes cut on concrete, flange bolts on fire hydrants, etc.) on site.
- 4. Contours will be provided at 1'-0" maximum vertical intervals; error shall not exceed one-half the contour interval.
- 5. The limits of the topography will correspond with the attached Limits of Survey Exhibit.
- 6. Spot elevations will be provided on the top of curbs, edge of pavements and concrete and at all sidewalk joints to evaluate and design for ADA compliance.
- 7. The survey will show the location of the visible, physical improvements on the site (e.g. structures, fencing, site furniture, walks, curbing, etc.).
- 8. The location of underground utilities, both observed and from available record information, will be provided, including location and size of water mains, fire hydrants and valves. The survey will show depth, size, and direction of flow for all sanitary, storm drains, and culverts serving the property. The location of all manholes, catch basins and all pipe inverts that are accessible will be depicted.
- 9. Location of private electrical lines within the survey zone will be performed by professional utility locating firm. Location of other "dry" utilities such as telephone, gas and cable T.V. lines, etc. will be depicted based on visual surface evidence and available utility atlas information from the respective utility companies.

10. Individual free-standing trees 2" caliper or greater will be shown as deciduous or coniferous. Tagging and species/condition report is not included. Groupings of trees or landscaped areas will be shown in mass.

B. Final Engineering / Construction Documents

GHA will prepare construction documents for the subject improvements. The approximate area of deck replacement is 19,000 sf. (See attached exhibit) The following work is anticipated:

- 1. Review of historical plans and details of the improvement zone
- 2. Site reconnaissance to inspect the condition of the concrete pavement.
- 3. Evaluation of the repair methodologies available and discussions with the District to determine the preferred methods. This work will include consultation and input from Water Technologies, Inc. We have budgeted \$2000 in consulting services from Water Technologies, Inc. which will be invoiced on a T & M basis to the District without markup.
- 4. Evaluation of the pavement slope and preparation of an exhibit depicting those areas outside of the recommended slope.
- 5. Preparation of final engineering plans to include the following:
 - a. Title Sheet, including vicinity map
 - b. Site Plan indicating improvement limits, site dimensions, etc.
 - c. Existing Conditions and Demolition Plan illustrating existing grades, utility locations, inverts, areas of pavement removal, curb removal, etc.
 - d. Grading and Drainage Plan showing proposed grades, and subgrades, site contours in turf areas, storm sewers / trench drains with inlet elevations. It is anticipated a detailed grading plan (scale of 1" = 10' or larger) of the deck will be needed to confirm compliance with accessibility standards.
 - e. Construction Detail Drawings of site work items.
 - f. General Notes Sheet identifying project specifications. (Narrative specifications are not anticipated to be needed and are not included.)
 - g. Stormwater Pollution Prevention Plan. Note that the area of disturbance will not require an IEPA-NPDES Construction Site Activities permit.
- 6. Preparation of a cost opinion for the proposed improvements.
- 7. A total of four meetings are included in the design phase. Two of the meetings may be at the project site. The remainder will be video meetings. One meeting with the Park Board is also included.

C. Permitting Phase

Work in this phase will include submitting plans to the City of Highland Park for permit review. Our work includes responding to comments and one resubmission. No other permits are anticipated to be required or are included in our scope or fee.

D. Bidding / Negotiation Phase

GHA will assist the District in preparation of the bid documents, contracts, and specification manual. Work in this phase will include:

- 1. Assist the District in preparation of the bid documents, contracts, and specification manual. GHA will utilize the front-end portion of the contract documents provided by the District.
- 2. Specifications will be included within the General Notes and Detail sheets. Individual Division 2 civil specifications will be minimized. If project specific specifications are needed, they will be included within the project specific bid book.
- 3. Assist the District in encouraging qualified contractors to bid the project.
- 4. Provide addenda and clarification related to civil site improvements, as needed.
- 5. Attend the bid opening and summarize the bids.
- 6. Review bid results and prepare a recommendation letter for submittal to the Board.
- 7. Prepare the contract award letter and supporting documents for the selected contractor.

III. Services Not Included

- A. The following are not included in the Scope of Services. These services may be provided at the request of the Client as an additional service. Prior to commencing additional services, GHA will provide the Client with an estimate of the additional work scope and request authorization to proceed:
 - 1. Construction administration or any construction phase services
 - 2. Land survey, ALTA/NSPS Land Title Survey, or other surveying services not specified in Section II. Scope of Services;
 - 3. Landscape design and preparation of a Landscape Plan; (not anticipated to be needed)
 - 4. Attendance at or preparation for public hearings or meetings beyond those noted;
 - 5. Preparation and submission of an environmental investigation, tree survey or inventory;
 - 6. Site lighting design;
 - 7. Retaining wall or other design requiring the services of a structural engineer;
 - 8. Irrigation system design or repair.
 - 9. Review of bid results or preparation of a recommendation letter for submittal to the Board.

- 10. Preparation of a contract award letter and/or supporting documents for the selected contractor.
- 11. Permit fees and review fees (responsibility of the Client);
- 12. IEPA NPDES permitting, SWPPP plan preparation and NPDES compliance monitoring (not anticipated to be required);
- 13. Illinois Department of Public Health permit (not anticipated to be needed)
- 14. Geotechnical testing (Client responsible for all earthwork operations, stone, concrete).

IV. Personnel and Schedule

Mr. Donald E. Matthews, P.E.,CFM will be the principal in charge for the project. Mr. Jonathan Past, PLS will coordinate the survey. Mr. Edward Speckart, P.E. will be the project engineer. Additional professional and technical staff will provide support as needed.

Upon authorization to proceed, we will require approximately six weeks to prepare the existing condition survey. Once the survey is complete, we estimate 75% construction documents will be available for client review in approximately six weeks. The schedule for completion of the final documents will be dependent on time frames of client reviews.

V. Compensation for Services

Task	Fee
Existing Condition Survey (includes electric line locating)	\$6,500.00
Final Engineering / Construction Documents	\$24,800.00
Permitting Phase	\$3,100.00
Bidding / Negotiation	\$5,200.00
Lump Sum Fee	\$39,600.00
Reimbursable Expenses	\$700.00
Lump Sum + Reimbursables	\$40,300.00
Sub-Consultants	T&M (NTE)
Water Technology Inc.	\$2,000.00

Reimbursable expenses, including items such as printing, mileage, messenger service, record documents and other non-technical project related expenses, will be billed to the Client at cost.

Additional services requested and authorized by the Client, beyond those outlined in *Section II: Scope of Services*, will be billed on a time-and-materials (T&M) basis in accordance with the attached *GHA Hourly Rates*.

Invoices will be submitted monthly and will detail charges made against the project and services performed. This allows the Client to review the status of the work in progress and the charges made.

VI. General Conditions

The delineated services provided by Gewalt Hamilton Associates, Inc., (GHA) under this Agreement will be performed as reasonably required in accordance with the generally accepted standards for civil engineering and surveying services as reflected in the contract for this project at the time when and the place where the services are performed.

Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Client or GHA. GHA's services under this Agreement are being performed solely for the Client's benefit, and no other party or entity shall have any claim against GHA because of this Agreement or the performance or nonperformance of services hereunder. In no event shall GHA be liable for any loss of profit or any consequential damages.

The Client and GHA agree that all disputes between them arising out of or relating to this Agreement or the Project shall be submitted to nonbinding mediation in Chicago, Illinois unless the parties mutually agree otherwise.

This Agreement, including all subparts and *Attachment A*, which is attached hereto and incorporated herein as the General Provisions of this Agreement, constitute the entire integrated agreement between the parties which may not be modified without all parties consenting thereto in writing.

By signing below, you indicate your acceptance of this Agreement in its entirety.

Services provided under this Agreement will be billed according to the rates in effect at the time services are rendered.

ATTACHMENT A TO GEWALT HAMILTON ASSOCIATES, INC. PROFESSIONAL SERVICES AGREEMENT

- 1. Standard of Care. The services provided by Gewalt Hamilton Associates, Inc., (GHA) under this Agreement will be reasonably performed consistent with the generally accepted standard of care for the Scope of Basic Services called for herein at the time when and the place where the services are provided. GHA will use reasonable care to comply with applicable codes and laws in effect at the time its services are provided.
- 2. Duration of Proposal. The terms of this Agreement are subject to renegotiation if not accepted within 60 calendar days of the date indicated on this Agreement. Requests for extension beyond 60 calendar days shall be made in writing prior to the expiration date. The fees and terms of this Agreement shall remain in full force and effect for one year from the date of acceptance of this Agreement, and shall be subject to revision at that time, or any time thereafter if GHA gives written notice to the other party at least 60 calendar days prior to the requested date of revision. In the event that the parties fail to agree on the new rates or other revisions, either party may terminate this Agreement as provided for herein.
- **3.** Client Information. Client shall provide GHA with all project criteria and full information for its Scope of Basic Services. GHA may rely, without liability, on the accuracy and completeness of the information Client provides, including that of its other consultants, contractors and subcontractors, without independently verifying that information.
- 4. Payment. Payments are due within 30 calendar days after a statement is rendered. Statements not paid within 60 calendar days of the end of the calendar month when the statement is rendered will bear interest at the rate of one percent (1.0%) per month until paid. The provision for the payment of interest shall not be construed as authorization to pay late. Failure of the Client to make payments when due shall, in GHA's sole discretion, be cause for suspension of services without breach or termination of this agreement. Upon notification by GHA of suspension of services, Client shall pay in full all outstanding invoices within 7 calendar days. Client's failure to make such payment to GHA shall constitute a material breach of the Agreement and shall be cause for termination by GHA. GHA shall be entitled to reimbursement of all costs actually incurred by GHA in collecting overdue accounts under this Agreement, including, without limitations, attorney's fees and costs. GHA shall have no liability for any claims or damages arising from either suspension or termination of this Agreement due to Client's breach The Client's obligation to pay for GHA's services is in no way dependent upon the Client's ability to obtain financing, rezoning, payment from a third party, approval of governmental or regulatory agencies or the Client's completion of the project.
- 5. Instruments of Service. The Client acknowledges GHA's plans and specifications, including field data, notes, calculations, and all documents or electronic data, are instruments of service. GHA shall retain ownership rights over all original documents and instruments of service. All instruments of service provided by GHA shall be reviewed by Client within 10 calendar days of receipt. Any deficiencies, errors, or omissions the Client discovers during this period will be reported to GHA and will be corrected as part of GHA's Basic Services. Failure to provide such notice shall constitute a waiver. The Client shall not reuse or make, or permit to be made, any modifications to the instruments of service without the prior written authorization of GHA. The Client waives all claims against GHA arising from any reuse or modification of the instruments of service not authorized by GHA. The Client agrees, to the fullest extent permitted by law, to defend and indemnify and hold GHA harmless from any liability, damage, or cost, including attorneys' fees, arising from the unauthorized reuse or modification of the instruments of service by any person or entity. The parties agree that if elements of the Scope of Basic Services identified in this Agreement are reduced and/or eliminated by Client, then Client waives, releases and holds GHA harmless from all claims and damages arising from those reduced and/or eliminated services. If GHA's Scope of Basic Services does not include construction administration phase services, Client assumes responsibility for interpretation of the instruments of service and construction observation, and waives all claims against GHA for any act, omission or event connected thereto. Unless included in GHA's Scope of Basic Services, GHA shall not be liable for coordination with of the services of Client's other design professionals.
- **6. Electronic Files.** The Client acknowledges that differences may exist between the electronic files delivered and the printed instruments of service. In the event of a conflict between the signed / sealed printed instruments of service prepared by GHA and the electronic files, the signed / sealed instruments of service shall control. GHA's electronic files shall be prepared in the current software GHA uses and will follow GHA's standard formatting unless the Scope of Basic Services requires otherwise. Client accepts that GHA makes no warranty that its software will be compatible with other systems or software.
- 7. Applicable Codes. The Client acknowledges that applicable laws, codes and regulations may be subject to various, and possibly contradictory, interpretations. Client accepts that GHA does not warrant or guarantee that the Client's project will comply with interpretations of applicable laws, codes, and regulations as they may be interpreted to the project. Client agrees that GHA shall not be responsible for added project costs, delay damages, or schedule changes arising from unreasonable or unexpected interpretations of the laws, codes, or regulations applied to the project, nor for changes required by the permitting authorities due to changes in the law that became effective after completion of GHA's instruments of service. Client shall compensate GHA for additional fees required to revise the instruments of service if Client changes the project scope after GHA's completes its instruments of service.
- **8.** Utilities and Soils. When the instruments of service include information pertaining to the location of underground utility facilities or soils, such information represents only the opinion of the engineer as to the possible locations. This information may be obtained from visible surface evidence, utility company records or soil borings performed by others, and is not represented to be the exact location or nature of these utilities or soils in the field. Client agrees that GHA may reasonably rely on the accuracy and completeness of information furnished by third parties respecting utilities, underground conditions and soils without performing any independent verification. Contractor is solely responsible for utility locations, their markings in the field and their placement on the plans based on information they provided. Client agrees GHA is not liable for damages resulting from utility conflicts, mistaken utility locates, unfavorable soils, and concealed or unforeseen conditions, including but not limited to added construction costs and/or project delays. If the Client wishes to obtain the services of a contractor to provide test holes and exact utility locations, GHA may incorporate that information into the design and reasonably rely upon it. If not included in the Scope of Basic Services, such work will be compensated as additional services.

- 9. Opinion of Probable Construction Costs. GHA's Scope of Basic Services may include the preparation of an opinion of probable construction costs. Client acknowledges that GHA has no control over the costs of labor, materials, or equipment, or over the contractor's methods of determining prices, or over competitive bidding or market conditions. Opinions of probable costs, shall be made on the basis of experience and qualifications applied to the project scope contemplated by this Agreement as well as information provided by Client (the accuracy and completeness of which GHA may rely upon), and represent GHA's reasonable judgment. Client accepts that GHA does not guarantee or warrant that proposals, bids, or the actual construction costs will not vary from opinions of probable cost prepared for the Client. GHA shall not be liable for cost differentials between the bid and/or actual costs and GHA's opinion of probable construction costs. Client agrees it shall employ an independent cost estimator if, based on its sole determination, it wants more certainty respecting construction costs,
- 10. Contractor's Work. Client agrees that GHA does not have control or charge of and is not responsible for construction means, methods, techniques, sequences or procedures, or for site or worker safety measures and programs including enforcement of Federal, State and local safety requirements, in connection with construction work performed by the Client or the Client's construction contractors. GHA is not responsible for the supervision and coordination of Client's construction contractors, subcontractors, materialmen, fabricators, erectors, operators, suppliers, or any of their employees, agents and representatives of such workers, or responsible for any machinery, construction equipment, or tools used and employed by contractors and subcontractors. GHA has no authority or right to stop the work. GHA may not direct or instruct the construction work in any regard. In no event shall GHA be liable for the acts or omissions of Client's construction contractors, subcontractors, materialmen, fabricators, erectors, operators or suppliers, or any persons or entities performing any of the work, or for failure of any of them to carry out their work as called for by the Construction Documents. The Client agrees that the Contractor is solely responsible for jobsite and worker safety and warrants that this intent shall be included in the Client's agreement with all prime contractors. The Client agrees that GHA and GHA's personnel and consultants (if any) shall be defended/indemnified by the Contractor for all claims asserted against GHA which arise out of the Contractor's or its subcontractors' negligence, errors or omissions in the performance of their work, and shall also be named as an additional insured on the Contractor's and subcontractors' general liability insurance policy. Client warrants that this intent shall be included in the Client's agreement with all prime contractors. If the responsible prime contractor's agreement fails to comply with the Client's intent then the Client agrees to assume the duty to defend and indemnify GHA for claims arising out of the Contractor's or subcontractors' negligence, errors or omissions in the performance of their work.
- 11. Contractor Submittals. Shop drawing and submittal reviews by GHA shall apply only to the items in the submissions that concern GHA's scope of Basic Services and only for the purpose of assessing if, upon successful incorporation in the project, they are generally consistent with the GHA's Instruments of Service. Client agrees that the Contractor is solely responsible for the submissions and for compliance with the Instruments of Service. Owner agrees that GHA's review and action in relation to the submissions does not constitute the provision of means, methods, techniques, sequencing or procedures of construction or extend to jobsite or worker safety. GHA's consideration of a component does not constitute acceptance of an assembled item.
- 12. Hazardous Materials. Client agrees that GHA has no responsibility or liability for any hazardous or toxic materials, contaminants or pollutants.
- 13. Record Drawings. If required by the Scope of Basic Services, record drawings will be prepared which may include unverified information compiled and furnished by others, the accuracy and completeness of which GHA may reasonably rely upon. Client accepts that GHA shall not verify the information provided to it and agrees GHA will not be responsible for any errors or omissions in the record drawings due to incorrect or incomplete information furnished by others to GHA.
- 14. Disputes. Client agrees to limit GHA's total aggregate liability to the Client for GHA's alleged acts, errors or omissions to \$50,000 or the amount of GHA's paid fees for its services on the project, whichever is greater. GHA's liability to Client shall be limited to twelve months from the last invoice submitted to Client by GHA, regardless of payment by Client. GHA makes no guarantees or warranties, either expressed or implied, including any warranty of habitability or fitness for a particular purpose. The parties agree to waive all claims against the other for any and all consequential damages, including attorneys' fees. The parties agree to waive against each other all rights and claims otherwise covered by property insurance, by builder's risk insurance or by all risk insurance, including but not limited to subrogation rights regardless of whether the claims arise during or post-construction and regardless of final payment to GHA.

All disputes arising out of or relating to this Agreement shall first be negotiated between the parties. If unresolved, the dispute shall be submitted to mediation as a condition precedent to litigation. Mediation shall take place in Chicago, Illinois unless the Client and GHA mutually agree otherwise. The fees and costs of the mediator shall be apportioned equally between the parties. If mediation is unsuccessful, litigation shall be the form of dispute resolution and shall be filed in the jurisdiction where the project was pending. The controlling law shall be the law of the jurisdiction where the project was located. Client agrees that all causes of action under this Agreement shall be deemed to have accrued and all statutory limitations periods shall commence no later than the date of GHA's services being substantially completed. Client agrees that any claim against GHA arising out of this Agreement shall be asserted only against the entity and not against GHA's owners, officers, directors, shareholders, or employees, none of whom shall bear any liability and may not be subject to any claim.

15. Miscellaneous. Either Client or GHA may terminate this Agreement without penalty at any time with or without cause by giving the other party ten (10) calendar days prior written notice. The Client shall, within thirty (30) calendar days of termination pay GHA for all services rendered and all costs incurred up to the date of termination in accordance with compensation provisions of this Agreement. Client shall not assign this Agreement without GHA's prior written consent. There are no third-party beneficiaries to this Agreement.

Subject: Sunset Valley Golf Club Bridge Replacement and Removal Project Update

Summary/Background

Sunset Valley Golf Club has a total of ten bridges that are used by golfers to navigate the course during play across the Skokie River. Required inspection of these bridges revealed that eight of these bridges need replacement over the next several years. Staff have determined that two of the bridges are not necessary and can be removed.

Phase One of this replacement and removal project is nearing completion. Staff will provide a project update and discuss plans for Phase Two.

From: Ryan Ochs, General Manager & Superintendent of Golf, Jeff Smith, Director of Projects

and Planning, Brian Romes, Executive Director

Date: May 18, 2022

Subject: Phase One Cart Path Resurfacing Project Sunset Valley Golf Club

Summary

Staff will provide an update on Phase One of the Cart Path Resurfacing Project at Sunset Valley Golf Club

From: Jeff Smith, Director of Planning and Projects; Brian Romes, Executive Director

Date: May 18, 2022

Subject: Approval of the 2022 Moraine Park Path Improvement Project Rebid

Summary

On April 14, 2022, five (5) bids were received for the 2022 Moraine Path Improvement Project Rebid. The purpose of this project is to reopen the Moraine Park ravine path and permit lake access at this site. The path has been closed since spring 2019 due to failures of the path caused by record-setting, heavy rainfall. Work includes construction of a boardwalk along the path and stabilization work along the toe of the ravine slope. Bid results are listed below.

Bid Results

Company	Total Base Bid	Alt. 1 Helical Piles Additional Length	Alt.2 Helical Tie Backs Additional Length
Integral Construction Inc.	\$553,200	\$128	\$128
Team REIL Inc.	\$614,824	\$52	\$61
Misfits Construction Company	\$642,605	\$1,500	\$1,500
Foundation Mechanics LLC	\$694,590	\$100	\$100
Kovilic Construction Company Inc.	\$1,030,500	\$50	\$50

Integral Construction Inc. provided the lowest bid. However, the company failed to disclose past violations and other information as required as part of the bid submittal. Staff conferred with Park District Legal Counsel and have determined that Integral Construction Inc. is not the lowest responsible bidder.

The lowest responsible and responsive bidder, Team REIL Inc., has favorable references and experience working with the Park District of Highland Park. Team REIL Inc. has agreed to reduce their total base bid by \$28,510 for a total amount of \$586,314.

Financial Impact

Total Approved Budget	\$485,000
Team REIL Inc. Total Base Bid	(\$614,824)
Team REIL Inc. Value Engineering	\$28,510
5% Contingency	(\$29,316)
Construction Administration	(\$6,950)
Anticipated Amount Over Budget	(\$137,580)

Recommendation

Staff recommends approval from the Park Board of Commissioners Base Bid Items 1, 2, and 3 and Alternates 1 and 2 from Team REIL Inc. for the 2022 Moraine Park Path Improvement Project, and authorizes the Executive Director to enter into an agreement in the amount of \$586,314.
