***F. Centennial Ice Arena Facility and Site Renovations project***

Manager Schwartz shared images of the lobby and entry renovations along with the exterior sidewalk and pathways.

**APPROVAL OF CENTENNIAL ICE ARENA RENOVATION PROJECT CHANGE ORDER # 25**

Manager Schwartz reported that Change Order #25 is primarily for the cost of custom built-in lobby benches. The Centennial Ice Arena overall budget includes \$275,000 for furniture, fixtures and equipment (FFE) not included in the contractors' scope, landscaping, and the sound system. The Park District worked with Woodhouse Tinucci Architects to design a furniture aesthetic for the lobby. The option the PDHP team recommends is a built-in bench option that will provide storage space and will be covered in the same rubber material as the floor. This option is durable, serves as much needed storage in the lobby, and will not be impacted by the wear and tear of skates. There is efficiency gained by working with the millwork contractor already on site. A small percentage of this change order addresses a minor change discovered in the field. She shared representative images of selected benches.

Commissioner Bernstein would like to know if TV's will be in the lobby.

Manager Schwartz reported that several TV's will be installed, some for informational and advertising purposes others to watch sports and shows.

Commissioner Ruttenberg would like to know if new lockers are being installed.

Manager Schwartz reported that new lockers are included with the facility renovations.

Overall, \$37,501 of this change order will be expensed to the FFE budget. The contingency fund will cover the remaining \$1,450. If approved, \$43,267.99 will remain in the project contingency fund.

A motion was made by Commissioner Bernstein and seconded by Commissioner Kaplan to accept Centennial Ice Arena Renovation Project Change Order #25 from Stuckey Construction in the amount of \$38,951 for materials and installation of Mondo flooring at the ice rink entry area.

**Pasquesi Park Naming**

Director Gogola reported that Larry Pasquesi, a Highland Park Resident, contacted the Park District this past November, asking to make a \$250,000 donation to rename Cloverdale Park to Pasquesi Park in honor of his family and other Italian families that have settled in Highland Park beginning in the early 1900s. Cloverdale Park is located at 1780 Eastwood Avenue and is 3.44 acres. The park has a playground for 2-5 and 5-12year old's, tennis courts, a basketball court, a baseball field, and walking paths. Staff feel Devonshire Park would be more appropriate, based on the amount of the donation, the size of the park, and its amenities vs. Cloverdale. Staff suggested this to Mr. Pasquesi, who in return would reduce the donation amount since he is very interested in Cloverdale Park. Staff have not discussed terms with Mr. Pasquesi, however, he is aware of the Park District's Naming Rights Policy. Staff are looking for feedback from the Facility and Recreation Committee regarding the opportunity.

Commissioner Bernstein would like to know how much the Cunniff Family donated to rename the park for comparison.

Director Voss reported that Cunniff Park was renamed over 20years ago, so it's not a good comparison.

Commissioner Bernstein would like to know how much the Fox family donated to rename a baseball field.

Policy Committee Meeting Minutes

January 18, 2023

Executive Director Romes reported that the Fox family donated \$300,000 to rename a baseball field, an amenity within a park.

Vice President Freeman recommends putting a timeline or a term on every property being named after a family.

Commissioner Bernstein would like staff to explore what was done for Brian Schwartz to determine next steps and set parameters.

**Employee Classification and Compensation Study Update**

Executive Director Romes reported that the Employee Classification and Compensation study was conducted by GovHRUSA to ensure internal compensation equity, how the Park District classifies and compensates positions based on responsibilities and skills required to perform job and address external competitiveness to ensure positions within the classifications are comparable and competitive with similar organizations. The classification plan (grouping of employee positions with similar knowledge and skills to perform a job) looks at employee positions not employees in those positions.

**Lakefront User Fees**

Manager Acevedo reviewed the proposed fees for lakefront parking decals and beach passes, noting that resident beach passes for Rosewood Beach will continue to be free, however, staff are proposing to increase the Resident lakefront parking decal fees by \$5.00 in 2023. Non-Resident parking decal fees and beach passes will not increase to align with rates at neighboring communities and low usage in 2022. Lakefront decals go on sale March 1, 2023.

Commissioner Ruttenberg would like to know the Non-Resident parking decal and beach pass rates.

Manager Acevedo reported Non-Resident parking decals are \$285 and beach passes are \$100 for individuals and \$25 for each additional family member in the same household.

President Grossberg does not support the \$500 increase for Resident lakefront parking decals.

Manager Acevedo shared the rates of neighboring communities, noting that the Park District of Highland Park is much lower aside from Glencoe whose rates align with ours.

Executive Director Romes reported that the Park District of Highland Park does not charge a swimming fee, whereas the neighboring communities charge daily parking and swimming fees.

Assistant Director Murrin provided a brief overview of the daily launch and parking fees at Park Avenue Beach and Boating Facility, noting that weekday rates for parking are \$20 per vehicle, weekends are \$30 per vehicle. To park and launch your boat or is \$35 weekdays, \$65 weekends. Daily launch and parking

not available on holiday weekends. New this year, boaters can scan a QR code for gate access (7.5% transaction fee).

Manager Pierce reviewed the proposed Park Avenue Boating Facility Launch and Storage Fees, noting that staff are recommending fees increase by 5% for residents and 10% for non-residents. Current loyalty members will not see a fee increase due to being locked in the 5–10-year rate agreement. Registration for returning boaters begins March 15, registration for new resident boaters begins March 30, and registration for new non-resident boaters begins April 6.

The Park Board of Commissioners supports the 2023 Lakefront operations and user fees.

**Danny Cunniff Park Pickleball Project**

Director Smith reported that in the fall of 2022 the Park Board of Commissioners supported staff's recommendation to convert some of the existing tennis courts at Danny Cunniff Park into pickleball courts, so staff are here this evening to provide a project update. Currently there are six (6) pickleball courts and 10 (10) tennis courts at Danny Cunniff Park. Staff would like to convert four (4) of the existing tennis courts. This project is recognized in the Capital Plan, however it is unfunded, so the conversion would

need to be fully funded by donations, so staff are developing a fundraising committee. Since the project is unfunded, staff requested feedback from the Committee to determine a start date for construction, Spring of 2023, Fall of 2023, or Spring of 2024.

Commissioner Kaplan would like to know how much the project would cost.

Director Smith reported that the project is unfunded and estimated at \$200,000.

Commissioner Bernstein would like staff to find the funds to cover the project. He would also like the area relandscaped and the restrooms relocated. He's hoping that could be done in house to save costs.

Commissioner Kaplan, Commissioner Ruttenberg, and Vice President Freeman would like staff to move budgets around to fund this project.

The Committee supports moving forward with this project in the Spring of 2023.

Commissioner Ruttenberg would also like staff to develop a plan for future amenities at the site to truly enhance it.

**From:** Mari-Lynn Peters, Director of Finance; Brian Romes, Executive Director

**Date:** February 22, 2023

**Subject:** **Approval of Resolution 2023-03 Authorizing an Increase in the Budgeted Year-End Fund Transfer Amounts**

---

## Summary

The projected 2022 budget versus actual results shows a greater surplus than expected in both the Recreation and Special Recreation Funds. Additionally, more ADA projects were conducted in 2022 than anticipated, thus allowing for a greater reimbursement to the capital fund than originally expected. After careful review and in concert with discussions at previous Finance Committee Meetings, staff is recommending formal approval from the Park Board to increase fund transfers to the Capital Fund for the fiscal year ending 2022. The adjustment in transfers from the 2022 Budget to 2022 Proposed is below:

	<b>2022 Budget</b>	<b>2022 Adjusted Budget</b>	<b>Change</b>
<b>Special Recreation Fund transfer to Capital Fund</b>	<b>\$500,000</b>	<b>\$507,164</b>	<b>\$7,164</b>
<b>Recreation Fund transfer to Capital Fund</b>	<b>\$2,000,000</b>	<b>\$3,000,000</b>	<b>\$1,000,000</b>

The increase in transfers totals: \$1,007,164 to the capital fund.

## **Summary**

Pursuant to 70 ILCS 1205/8-22 the Park District of Highland Park disposes of property it deems to be of no use to the Agency. If the property cannot be sold or donated, the District will dispose of it in the most economical method possible. Also, pursuant to 70 ILCS 1205/8-22 the District must pass the attached ordinance by approval of at least three-fifths of the Park Board.

**Formatted:** Font: (Default) +Body (Calibri), 11 pt, Not Bold

**3.2 Equal Employment Opportunity:** Equal opportunity has been, and will continue to be, a fundamental principle at the Park District of Highland Park. In accordance with federal, state, and local law, it is the policy of the Park District to provide equal employment opportunities to all qualified persons. In order to provide equal employment and advancement opportunities to all individuals, employment decisions at the District will be based on merit, qualifications, and abilities. The District does not discriminate in employment opportunities or practices on the basis of actual or perceived race (including traits associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twists), color, religion, sex (including pregnancy and sexual harassment), sexual orientation (including gender identity), marital status, veteran status, citizenship status, national origin, ancestry, age, order of protection status, disability, genetic information, handicap, military status, record of arrest, or any other characteristic or classification protected by applicable federal, state, or local laws.

The District is committed to complying with the Americans with Disabilities Act (ADA) and ensuring equal opportunity in employment for all qualified persons with disabilities. In addition, to provide equal employment and advancement opportunities to all individuals, employment decisions at the District are based on knowledge, skill, and abilities.

The District respects the religious beliefs and practices of all employees and will make, upon request, an accommodation for such observances when a reasonable accommodation is available that does not create an undue hardship on District operations. An employee who seeks religious accommodation must submit a written request to the Executive Director or his/her designee.

Any employee with questions or concerns about any type of discrimination in the workplace is encouraged to immediately bring these issues to the attention of his or her immediate Supervisor or the Human Resources Department. Employees can raise concerns and make reports without fear of reprisal. Anyone found to be engaging in any type of unlawful discrimination will be subject to disciplinary action, up to and including discharge of employment.

**4.10 Performance Evaluation:** Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Under ordinary circumstances, formal performance evaluations are conducted at the end of an employee's Introductory Period, at which time the immediate Supervisor and the employee should discuss the job responsibilities, standards, and performance requirements of the position.

After the Introductory Period, employees are generally evaluated on an ongoing 12-month cycle, on or by the first day of the calendar year. ~~according to the employee's anniversary date of employment.~~

**6.2 Fleet Safety:** The Park District promulgated a Fleet Safety Policy in order to make employees aware that, whether they drive a Park District vehicle or their own personal vehicle on Park District business, they have a responsibility to drive safely. Safety should be a matter of continuing and mutual concern, equal in importance with all other operational considerations.

It is every employee's responsibility to know and comply with all traffic and safety policies, rules, and regulations, and to act in a safe manner. Carelessness, inattention, neglect, and disregard for traffic and safety rules can cause accidents. Therefore, all employees must at all times be careful, attentive, alert, and follow proper traffic and safety procedures. Park District employees are expected to follow all applicable local, state, and federal laws related to cell phone usage while driving. Use of a cell phone, except in "hands free" mode, while operating any motor vehicle on behalf of the Park District is strictly prohibited. An employee who is charged with traffic violations resulting from the use of his or her cell phone while driving may be solely responsible for all liabilities that result from such actions.

Formatted: Font: (Default) +Body (Calibri), 11 pt

Any Park District employee who is going to drive either a District-owned vehicle or their own vehicle for District business must allow the District to review their driving record, which will be used to determine if the employee will be allowed driving privileges. After the initial review, motor vehicle record reports will be run annually for the duration of employment for those individuals that drive, or may be expected to drive, on District business.

The District's Fleet Safety Policy is attached as Appendix D.

If maximum rates are exceeded due to emergencies or extraordinary circumstances, reimbursable expenditures are to be reviewed on a case-by-case basis.

If unsure if an expense is reimbursable, contact the immediate Supervisor, the Director of Finance, or the Human Resources Department. Reimbursable expenses include, but are not limited to:

- **Airfare** – Employees are expected to obtain the least expensive airfare that meets business travel needs. Only the price of coach or economy airfare will be reimbursed. Cancellation charges will not be reimbursed by the Park District unless approved by the Park Board.
- **Lodging** – Employees will be reimbursed for a standard single room at locations convenient to business activity. Cancellation charges will not be reimbursed by the Park District unless approved by the Park Board. **Meals** – Reimbursement is limited to the current U.S. General Services Administration (GSA) regulations in place at the time the expense is incurred. Please see the ‘Travel, Meal and Lodging Expense Reimbursement Form’ for current guidelines on appropriate meal expenses. (NOTE: Meals provided by the conference or seminar should be deducted from the daily allowance.)
- **Mileage** – Per mile reimbursement rates will be based on the Standard Mileage Rates determined annually by the IRS.
- **Parking** – Parking fees will be reimbursed for reasonable business purposes only with a receipt.

Travel, meal, or lodging expenses in excess of the established per diem rate of \$400 per day must be pre-approved in an open meeting by the Park Board.

Employees must complete and submit the ‘Travel, Meal, and Lodging Expense Reimbursement Form’ to their immediate Supervisor and Department Head for approval prior to registering for the conference, seminar, or event or booking any related travel. Failure to obtain authorization from the Park District prior to incurring the expense(s) shall relieve the Park District of any reimbursement obligations

**6.17 PT Manual / 6.18 FT Manual**

**Nursing Mothers:** Employees who are nursing are provided with reasonable unpaid break time to express breast milk for up to one (1) year after the birth of a child. This break time may run concurrently with any break time already provided to the employee, if possible. The District will make reasonable efforts to provide a private location. Employees will not be retaliated against for exercising their rights under this policy.

**8.3 Sick Time:** Full-Time Employees that have completed the introductory period, may earn up to 12 paid sick days each calendar year. Eligible employees will earn one (1) sick day for each full month employed with the Park District. Employees may use sick time for absences due to one's own illness, injury or medical treatment, or because they are needed to care for eligible family members pursuant to the Employee Sick Leave Act, which includes an employee's spouse, domestic partner, child, parent, sibling, mother-in-law, father-in-law, grandchild, grandparent, or stepparent who is ill, injured, ~~or~~ needs medical treatment or personal care. - Personal care of a family member means activities to ensure that a covered family member's basic medical, hygiene, nutritional, or safety needs are met, or to provide transportation to medical appointments, for a covered family member who is unable to meet those needs himself or herself. Personal care also means being physically present to provide emotional support to a covered family member with a serious health condition who is receiving inpatient or home care. - Employees may use up to half of their annual sick leave allotment (6 days) for the care of eligible family members (820 ILCS 191/1 et seq).

Non-exempt employees may take sick time in half (4-hour) or full day (8-hour) increments. Exempt employees may take sick time in full day (8-hour) increments only.

Employees must notify their immediate Supervisor of absences as soon as it is known that they will be unable to report for work. However, if the absence could not be foreseen and more advance notice cannot be given, employees must notify their immediate Supervisor at least one (1) hour before the employee's scheduled start time. If that is not possible, employees must report their absence as soon as reasonably practicable following an emergency medical event.

If an employee is away from work for three (3) or more consecutive days because of illness or injury, or if an employee is suspected of having abused sick leave, the Supervisor may request that the employee submit a statement from a medical provider certifying the illness, injury, or treatment or certifying the illness, injury, or treatment of the employee's eligible family member and the need for the employee to care for the eligible family member.

If sick leave was due to an employee's own medical condition, the Supervisor may also require that the employee provide a medical or "fitness for duty" certification from the treating medical provider in order to return to work; in such event, the Park District may deny the employee's return to work until they provide the required certification.

If an employee is or will be absent for more than three (3) consecutive workdays because of one's own serious health condition or to care for an eligible family member with a serious health condition, the employee may apply for FMLA Leave under Section 10.1 of the Personnel Policy Manual. Any employee who fails to return to work upon the expiration of his or her sick leave may be deemed to have abandoned his or her employment and may be dismissed by the District on that basis.

Employees may bank and carryover up to 30 unused sick days from calendar year to calendar year. Unused sick days will be automatically banked at the end of each calendar year until the employee has reached the maximum of 30 days. Once the sick bank has 30

days, unused sick days earned in the current calendar year will be paid out at 50% of the available balance at the end of the calendar year.

Upon retirement, unused, unpaid sick time (both “regular” and banked) will be converted to IMRF service credit. (Please note that converted sick leave service credit cannot be used to meet the vesting requirements of a minimum of eight years (Tier 1) or ten years (Tier 2) for an IMRF pension or the minimum of 20 years of service credit under the early retirement incentive program. These days have no monetary value and would be solely granted toward IMRF service credit.)

Abuse of sick leave, which is defined as any use of sick leave for a purpose other than the purposes for which sick leave is allowed in the first paragraph of this Subsection 8.3, will subject an employee to discipline, up to and including discharge.

## Changes for Part-Time Personnel Policy Manual

### 8.3. Bereavement:

We ask that employees inform their immediate Supervisor when they intend to be absent because of a death. For purposes of this policy, "immediate family" means the spouse, civil union partner, child, parent, brother, sister, grandparent, grandchild, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.

In accordance with the Illinois Family Bereavement Leave Act 820 ILCS 154/1, *et al.*),, an employee who is an eligible employee under the Family and Medical Leave Act of 1993, 29 U.S.C. § 2601, *et seq.*, (that is, an employee who has been employed by the Park District for at least 12 months and who has worked at least 1,250 hours in the 12-month period preceding a leave taken in accordance with this subsection) shall be entitled to a maximum of ten (10) working days of unpaid bereavement leave for absences due to:

1. Attending the funeral or alternative to a funeral of a covered family member;
2. Making arrangements necessitated by the death of a covered family member;
3. Grieving the death of a covered family member;
4. Be absent from work due to one of the following:
  - a. A miscarriage;
  - b. An unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure (e.g., artificial insemination or embryo transfer);
  - c. A failed adoption match or an adoption that is not finalized because it is contested by another party;
  - d. A diagnosis that negatively impacts pregnancy or fertility; or
  - e. A stillbirth.

Employees can also use this time off to support a spouse or partner experiencing one of these losses.

A "covered family member" includes an employee's "child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent or stepparent." The law defines "domestic partners" broadly to include adults who are in a committed relationship, and they are not limited to legally recognized partnerships.

The employee must complete leave within 60 days after the date the employee receives notice of the death or the occurrence of a covered event.

If an employee experiences the death of more than one covered family member in a 12-month period, the employee is entitled to take up to six weeks of bereavement leave during the 12-month period.

An eligible employee must give the Park District at least 48 hours of advance notice of the employee's intention to take family bereavement leave, unless providing such notice is not reasonable or practicable. The Park District may require reasonable documentation to support the leave, which may include a death certificate, a published obituary notice or written verification of death, burial or memorial services, from a mortuary, funeral

home, burial society, crematorium, religious institution, or government agency.

For leave resulting from an event listed under 4 above, reasonable documentation shall include a form, to be provided, to be completed by the health care practitioner who has treated the employee or the employee's spouse, domestic partner, surrogate, adoption agency or surrogacy organization that the employee worked with related to the event resulting in the request for leave under 4 above of this policy, and certifying that the employee or their spouse or domestic partner has experienced an event listed under 4 above. The employee is not required to identify which category or event the leave pertains to as a condition of obtaining leave under this policy.

An employee may substitute paid time off (including personal time), to the extent available, for unpaid time off, in addition to paid time off allowed under the District's policy, set forth above. However, this leave does not increase the total amount of time off available to an employee in any rolling 12-month period under the Family and Medical Leave Act, nor does this provision increase the amount of paid time off otherwise available to an employee under any Park District leave or paid time off policy.

## Changes for Full-Time Personnel Policy Manual

### 8.5 Bereavement:

Full-Time Employees that have completed the introductory period are eligible for leave with pay for up to three working days in the event of a death in the employee's immediate family. ~~The Executive Director may approve a longer leave depending on the circumstances.~~

We ask that employees inform their immediate Supervisor when they intend to be absent because of a death. For purposes of this policy, "immediate family" means the spouse, civil union partner, child, parent, brother, sister, grandparent, grandchild, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians.

In accordance with the Illinois ~~Child-Family~~ Bereavement Leave Act ~~820 ILCS 154/1, et al.),(P-A-099-0703)~~, an employee who is an eligible employee under the Family and Medical Leave Act of 1993, 29 U.S.C. § 2601, et seq., (that is, an employee who has been employed by the Park District for at least 12 months and who has worked at least 1,250 hours in the 12-month period preceding a leave taken in accordance with this subsection) shall be entitled to a maximum of ten (10) working days of unpaid bereavement leave ~~to attend the funeral (or alternative to a funeral) of the employee's child (defined as the employee's son or daughter who is the biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis), make arrangements necessitated by the death of the child, or grieve the death of the child. Such leave must be completed within 60 days after the date on which the employee receives notice of the death of the child.~~ for absences due to:

1. Attending the funeral or alternative to a funeral of a covered family member;
2. Making arrangements necessitated by the death of a covered family member;
3. Grieving the death of a covered family member;
4. Be absent from work due to one of the following:
  - a. A miscarriage;
  - b. An unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure (e.g., artificial insemination or embryo transfer);
  - c. A failed adoption match or an adoption that is not finalized because it is contested by another party;
  - d. A diagnosis that negatively impacts pregnancy or fertility; or
  - e. A stillbirth.

Employees can also use this time off to support a spouse or partner experiencing one of these losses.

A "covered family member" includes an employee's "child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent or stepparent." The law defines "domestic partners" broadly to include adults who are in a committed relationship, and they are not limited to legally recognized partnerships.

The employee must complete leave within 60 days after the date the employee receives notice of the death or the occurrence of a covered event.

If an employee experiences the death of more than one covered family member in a 12-month

In the event of the death of more than one child in a rolling 12-month period, an eligible employee is entitled to up to six (6) weeks of child bereavement leave during that 12-month period.~~

An eligible employee must give the Park District at least 48 hours of advance notice of the employee's intention to take child-family bereavement leave, unless providing such notice is not reasonable or practicable. The Park District may require reasonable documentation to support the leave, which may include a death certificate, a published obituary notice or written verification of death, burial or memorial services, from a mortuary, funeral home, burial society, crematorium, religious institution, or government agency.

However, this leave does not increase the total amount of time off available to an employee in any rolling 12-month period under the Family and Medical Leave Act, nor does this provision increase the amount of paid time off otherwise available to an employee under any Park District leave or paid time off policy.

- 10.3.4. *Period of Leave:*** Employee will be entitled to a total of twelve (12) workweeks of unpaid leave during any twelve (12)-month period. - 10.3.5. *Existing Leave:*** The employee may use any available paid or unpaid leave (including family, medical, sick, annual, personal, etc.) from employment, in substitution for any period of such leave for an equivalent period of leave.
- 10.3.6. *Notice:*** The employee will provide the District with at least forty-eight (48) hours’

advance notice of the employee's intention to take the leave unless providing such notice is not practicable.

When an unscheduled absence occurs, the District will not take any action against the employee if the employee, within a reasonable period after the absence (generally defined herein as fifteen (15) days) provides certification as shown under the next section.

**10.3.7. Certification:** The District may require the employee to provide certification to the District that:

1. the employee or the employee's family or household member is a victim of actual or threatened domestic, sexual, or gender violence; and
2. the leave is for one of the purposes enumerated in the above "Basis" paragraph.
3. The employee will provide such certification to the District within a reasonable period after the District requests certification.

An employee may satisfy the above certification requirement by providing to the District a **signed and dated** statement of the employee, and upon obtaining such documents the employee will provide:

1. **documentation** from an employee, agent, or volunteer of a victim services organization, an attorney, a member of the clergy, or a medical or other professional from whom the employee or the employee's family or household member has sought assistance in addressing actual or threatened domestic, sexual or gender violence and the effects of the violence;
2. a **police or court record**; or
3. other corroborating evidence.

The District will not request more than one document be submitted during the same 12-month period leave is requested or taken if the reason for leave is related to the same incident or incidents of violence or the same perpetrator or perpetrators of the violence.

1-

**10.3.8. Confidentiality:** All information provided to the District, including a statement of the employee or any other documentation, record, or corroborating evidence, and the fact that the employee has requested or obtained leave pursuant to this policy, will be retained in the strictest confidence by the District, except to the extent that disclosure is: (1) requested or consented to in writing by the employee; or (2) otherwise required by applicable law.

**10.3.9. Restoration to Position:** In general, an employee who takes leave under this policy will be entitled, on return from such leave:

2. to be restored to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

**10.3.10. *Loss of Benefits:*** The taking of leave under this policy will not result in the loss of any employment benefit accrued prior to the date on which the leave commenced. However, the employee is not entitled to:

1. the accrual of any seniority or employment benefits during any period of unpaid leave; or
2. any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled had the employee not taken the leave.

**10.3.11. *Periodic Reporting:*** The District may require an employee on leave under this policy to report periodically to the District on the status and intention of the employee to return to work.

**10.3.12. *Maintenance of Health Benefits:*** Except as provided under “Loss of Benefits,” during any period that an employee takes leave under this policy, the District will maintain coverage for the employee and any family or household member under any group health plan for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had continued in employment continuously for the duration of such leave.

**10.3.13. *Failure to Return from Leave:*** The District may recover the premium that the agency paid for maintaining coverage for the employee and the employee's family or household member under such group health plan during any period of leave under this policy if:

1. the employee fails to return from leave under this policy after the period of leave to which the employee is entitled has expired; and
2. the employee fails to return to work for a reason other than: (a) the continuation, recurrence, or onset of actual or threatened domestic, sexual, or gender violence that entitles the employee to leave; (b) the need for other job-protected leave under an applicable law; or (c) other circumstances beyond the control of the employee.

The District may require an employee who claims that the employee is unable to return to work because of a reason described above to provide, within a reasonable period after making the claim, certification to the District that the employee is unable to return to work because of that reason.

An employee may satisfy the certification requirement of clause by providing to the District:

**10.3.14. Reporting to the District:** In response to an actual or perceived threat of domestic [violence](#), sexual [violence](#), ~~or~~ gender violence [or any other crime of violence](#), an employee may qualify for a reasonable accommodation, which may include adjustment to a job structure, workplace facility, modified schedule, leave, a changed telephone number or seating assignment, installation of a lock, implementation of a safety procedure and/or assistance in documenting actual or threatened domestic [violence](#), sexual [violence](#), ~~or~~ gender violence [or any other crime of violence](#) that occurs at the workplace or in a work-related setting, unless the accommodation would create an undue hardship for the District.

For the General Fund: Taxes are showing a favorable variance as more replacement taxes were collected than budgeted. Interest income this month already exceeded the entire annual budget due to continued increasing rates and spending bond money on current construction waiting for WRC to commence. Salary and wages are trending low due to open positions and not all wage increases hitting in January. The gap should close in February. Contractual services were largely under-budget due to professional fees being allocated across the year and not using such services much in January. Employee health and life insurance was budgeted for January, however the January bill will not hit until February. This is a timing difference.

For the Special Recreation and Debt Service Funds: Tracking as expected.

For the Recreation Fund: Program expenses are showing a favorable variance due to childhood enrichment programming (\$90,000 timing), Music (\$13,000), and youth dance (\$19,000). Additionally, tennis is showing a permanent \$61,000 favorable variance at 1/31. Finally, gymnastics is showing a \$28,000 favorable variance at month end with 87 extra participants. Camps are also showing a favorable variance due to gymnastics mini camp at a \$9,000 variance; permanent favorable difference is \$3,155. Youth tennis camp is \$5,000 favorable at 1/31. Membership favorable variance is largely due to the rec center and new memberships and marketing. Rentals are showing a favorable variance. \$10,000 is due to Park Ave carry over from 2022 and another \$9,000 is from prime tennis and permanent due to court bookings. Program expense is showing a favorable variance due to \$22,000 in athletics. Another \$20,000 is from WRC. Finally, wages for youth and adult tennis are trending favorably due to a timing difference. Salary and wages are trending low due to open positions and not all wage increases hitting in January. The gap should close in February. Employee health and life insurance was budgeted for January, however the January bill will not hit until February. This is a timing difference. Materials and supplies are showing a favorable variance due to \$12,000 of range balls budgeted to be purchased that were not. Maintenance and landscaping contracts are under budget as many facilities budget for emergencies each month, but the expenses do not always come to fruition. Several utility bills were slow to arrive in January. This favorable variance is largely a timing difference.

For the Capital Fund: Interest on the bond money is not budgeted for in the 520 account. Significantly under budget is contractual services as estimated cost of such services is spread across the year and often does not align with work and when invoices are received. Historically, capital invoices received in January relate to the prior year. However, in January 2023, several trucks were received and paid for, as well as district-wide computers for the year and IT infrastructure items. These are timing differences that should shrink over the next few months.

Program expenses are showing a favorable variance due to childhood enrichment programming (\$90,000 timing), Music (\$13,0000), and youth dance (\$19,000). Additionally, tennis is showing a permanent \$61,000 favorable variance at 1/31. Finally, gymnastics is showing a \$28,000 favorable variance at month end with 87 extra participants.

Camps are also showing a favorable variance due to gymnastics mini camp at a \$9,000 variance; permanent favorable difference is \$3,155. Youth tennis camp is \$5,000 favorable at 1/31.

Membership favorable variance is largely due to the rec center and new memberships and marketing.

Rentals are showing a favorable variance. \$10,000 is due to Park Ave carry over from 2022 and another \$9,000 is from prime tennis and permanent due to court bookings.

Program expense is showing a favorable variance due to \$22,000 in athletics. Another \$20,000 is from WRC. Finally, wages for youth and adult tennis are trending favorably due to a timing difference.

Salary and wages are trending low due to open positions and not all wage increases hitting in January. The gap should close in February.

Employee health and life insurance was budgeted for January, however the January bill will not hit until February. This is a timing difference.

Materials and supplies are showing a favorable variance due to \$12,000 of range balls budgeted to be purchased that were not.

Maintenance and landscaping contracts are under budget as many facilities budget for emergencies each month, but the expenses do not always come to fruition.

Several utility bills were slow to arrive in January. This favorable variance is largely a timing difference.

Interest on the bond money is not budgeted for in the 520 account. Significantly under budget is contractual services as estimated cost of such services is spread across the year and often does not align with work and when invoices are received. Historically, capital invoices received in January relate to the prior year. However, in January 2023, several trucks were received and paid for, as well as district-wide computers for the year and IT infrastructure items. These are timing differences that should shrink over the next few months.

### Updates

- The website had an increase of 38% visitors and 36% visits when compared to the previous month.
  - When compared to 2022, there was an increase of 77% visitors, 58% visits and 42% pageviews
- Our Facebook engagement was 4,300 and reached almost 50,000 accounts. Instagram reached over 12,000 accounts.

### New Technology

- Customer Relationship Management System (CRM) for Recreation Center of Highland Park: Researching and vetting several vendors, we made the decision to move forward with Plan2Play, a fitness business platform, and are scheduled to kick off implementation on Thursday, Jan. 18. The objective with the new CRM is to efficiently convert more leads into members through automated email & text messaging flows.
- District-Wide Intranet: Staff are in the beginning stages of looking into an intranet system that would be used for internal employee communication (e.g., announcements, district-wide memos, etc.) and new employee onboarding (not only streamlining the onboarding process but supporting the effort to go paperless). We have seen a demo from one vendor and are honing-in on our desired features to continue the search for other viable platforms.
